

“ With 247’s help we submitted 27 candidates in 24 hours and eliminated two competitive vendors. Thank you! ”

-actual client,
Fortune 500 staffing firm

Since 2002, we’ve partnered with recruitment organizations to deliver real solutions to the challenges of the competitive talent industry. **Whether we’re finding one ideal candidate or onboarding a team, working offshore or onsite**, we deliver the cost-saving value of global resources with the dependability of an industry leader.

Recruiting Solutions

Increase your job coverage and boost productivity with a remote recruitment team aided by powerful search technology.

Sourcing

Our sourcing specialists work around the clock to find talent, so your recruiters can spend more time closing.

VMS Recruiting

Get faster turnaround and increase your margins. Metrics-driven recruiting designed for the challenges of VMS.

Candidate Onboarding

Onboarding specialists work directly with new hires for a positive candidate experience and a cost effective process.

Admin Support

Work smarter and prioritize your resources. Our staff can help with resume reformatting, market research, and more.

Database Management

Your ATS is a critical asset. We validate and maintain your contact database, so you can be sure you’re getting the most from it.

Delivering real ROI to the staffing industry for over 15 years. No gimmicks, just results.

“We were at a critical crossroads with VMS. Could we increase our competitiveness in the VMS space? With 247’s optimization of our recruitment management process, the answer was a resounding ‘yes.’”

-Scott Koenig, Senior Vice President EDGE Services

“We could not have succeeded in building our talented team without the global recruitment guidance and expertise of 247. It was an essential opportunity for growth that has made us a bigger, better business.

-Lisa Kelly, Head of Talent and Resourcing at Lebara
