- Access Capital also provides term loans for growth strategies (M&A, strategic business investments and shareholder buyouts) ranging from \$250,000 to \$5 Million

"I was blown away at the speed, professionalism and the level of understanding of our business that each person we met from Access Capital had. With little notice, the Access Capital team was able to expedite our transaction quickly because they already knew our business and we didn't have to take the time to educate them on what we do."

Thomas loele, CEO

TalentBridge

Access Capital is the nation's leading independent lender to the staffing industry.

Over 25% of our clients have been working with us for over 10 years.

We provide the best financial solutions necessary for your success.
