

About TCI Business Capital

TCI Business Capital is a leading provider of invoice factoring and accounts receivable financing services. Since 1994, start-ups, growing companies, and established businesses have used factoring to have money available, when then they need it.

TCI Business Capital is a leading provider of invoice factoring and accounts receivable financing services. Since 1994, start-ups, growing companies, and established businesses have used factoring to have money available, when then they need it.

Over the years, TCI Business Capital has earned the reputation as one of the best factoring companies in the United States, because we provide funding to businesses in 24 hours or less, along with superior customer service. Our factoring lines range from \$50,000 to \$10MM, giving businesses flexibility and room to grow.

"I went to a number of Banks in my area and all I heard was "No". During my initial consultation with TCI, I kept hearing, "yes, we can work with you on that." Now that I have my financing, I can start growing my business."
