

Unleash Your Growth Potential with myBasePay

Minimize Headaches. Maximize Efficiencies.

Streamlining back-office tasks can be a daunting challenge for staffing firms — they're time-consuming, burdensome, and can cause unnecessary stress. But here's the good news: it doesn't have to be this way.

The Infrastructure You Need to Make More Placements.

Your staffing firm's success relies on your ability to focus on what you do best — sourcing and placing talent. That's why we act as your strategic back-office partner, empowering you with the efficiency and agility needed to thrive in today's competitive market.

myBasePay's custom-built, full-cycle solutions are designed to strengthen your business and simplify your life. As you scale, streamline your operations with:

- End-to-End Funding:** Say goodbye to cash flow concerns with our advanced funding model. myBasePay gives you a robust financial infrastructure to efficiently manage payroll while helping meet increasing client demands.
- Turnkey EOR:** Effortlessly deploy contract workers domestically and globally with our on-demand employer of record (EOR) and payroll platform. Bolster your ability to compete for and retain top talent through competitive and flexible benefits options.
- Workforce Compliance:** With myBasePay, you can enjoy peace of mind with complete oversight on changing regulations and laws. Let us handle your compliance concerns and liabilities as we shoulder the risks associated with wages, taxes, benefits, discrimination claims, workers' compensation claims, and more.

myBasePay: Your Partner in Growth

By reducing costs and increasing efficiencies, myBasePay serves as a growth engine for firms looking to capitalize on new revenue streams, new geographies, and new verticals.

Take Your Business to New Heights

Your staffing firm's success relies on your Discover how myBasePay's EOR platform empowers agencies like yours to scale, grow, and compete with unmatched agility and flexibility.
