

# Your Staffing Growth and Support Expert

As a staffing firm owner, you are among the most talented, capable entrepreneurs around. That said, even the most capable of companies need added support now and then. Our industry experts are your dedicated advisory and sounding board, committed to helping your staffing firm reach new heights.

Here's how we can help:

## Business Development

Boost your business outcomes with our operational services and partnership consulting.

- Location and vertical market growth guidance
- RFP structuring and response advisory
- Identification of teaming partners for large contracts
- VMS/MSP integration consulting and support

## Diversity Advantage

Leverage your diversity credentials and certification with tools and guidance from Advance Partners.

- Location and vertical market growth guidance
- RFP structuring and response advisory
- Identification of teaming partners for large contracts
- VMS/MSP integration consulting and support

## Mergers & Acquisitions

Successfully navigate M&A opportunities with strategic guidance from our business growth experts.

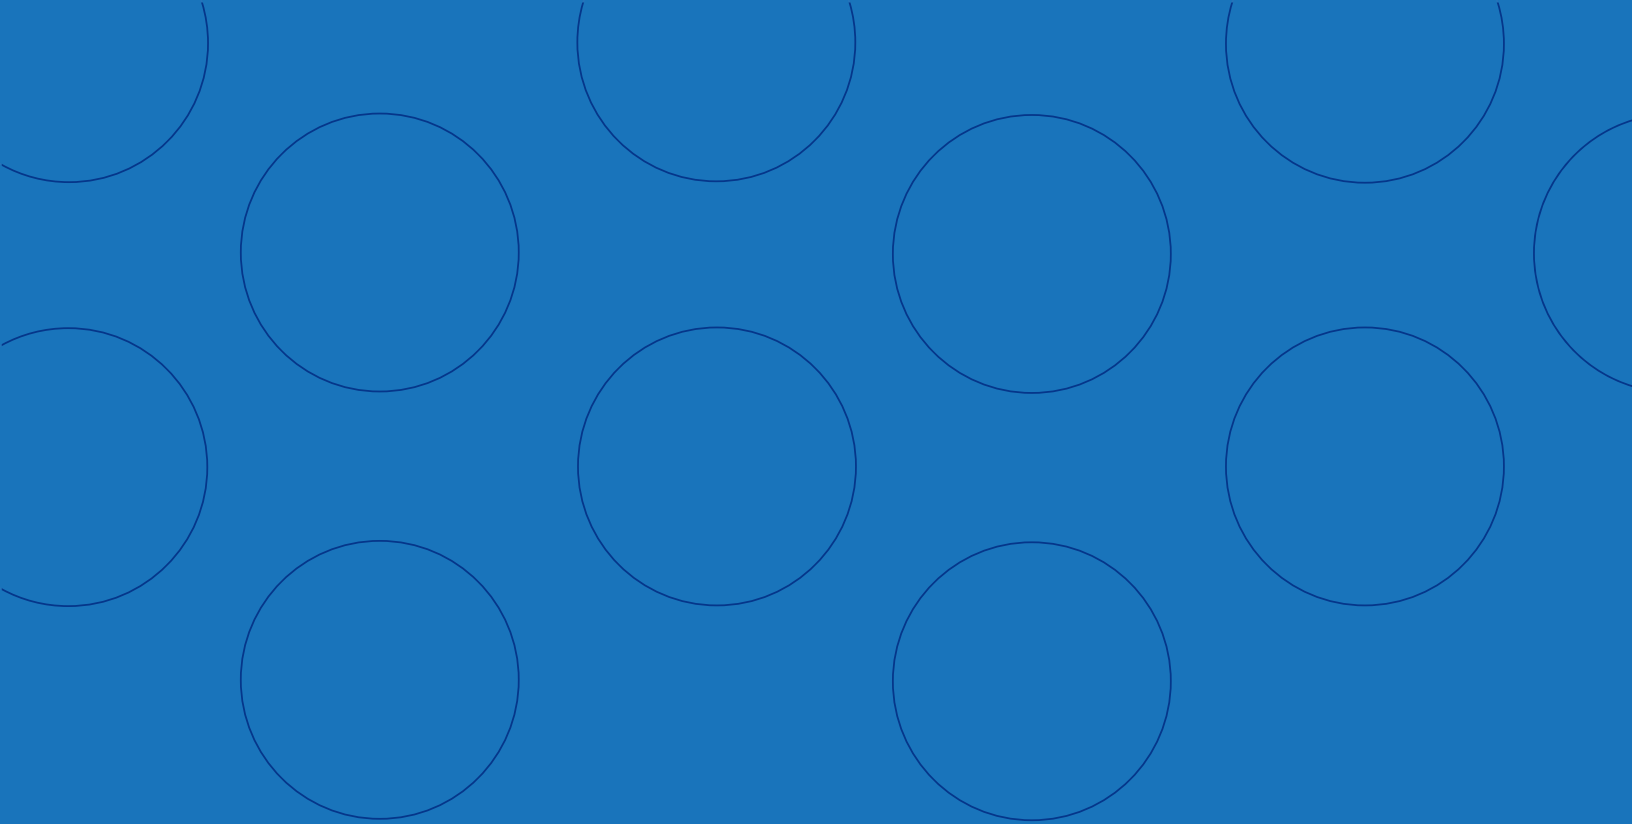

- Determine the value of your firm when you're ready to sell
- Identify acquisition targets or opportunities
- Analyze market and industry trends
- Create basic offering documents

---

## Ready to continue the conversation?

You have plenty of options to finance your growth, but very few of them will care for you like a true partner should. Advance Partners is a funding partner with the heart of a start-up and the resources of the multi-billion dollar global corporation, Paychex. If you want a true funding partner, contact us at [info@advancepartners.com](mailto:info@advancepartners.com) or [855-446-9761](tel:855-446-9761) to learn more.
