

Get Fully Funded Go Fully Forward

Payroll funding is a creative, flexible way to fuel your staffing firm's growth without the restrictions and red tape of bank loans.

Your situation >

You want to take your staffing firm to the next level. You have no problem securing contracts or getting talent – it's kind of your thing – but floating payroll week-to-week while waiting to get paid on outstanding invoices puts you in a cash flow bind.

The solution >

Payroll funding with Advance Partners unlocks the cash tied up in your invoices so you feel confident taking on new projects and growing your business.

But quick access to capital is just the start. Explore the world of services that come with our funding solutions.

Invoice Factoring

Invoice factoring? It's simply another name for payroll funding. We buy your outstanding invoices and advance you cash, immediately.

Credit Research

Leverage rigorous credit history assessments of potential customers to ensure you pursue (and win!) the right business.

Cash Receipt & Application

Extend the power of your accounting team with expert assistance managing customer payments, disputes, and adjustments.

A/R Collections Management

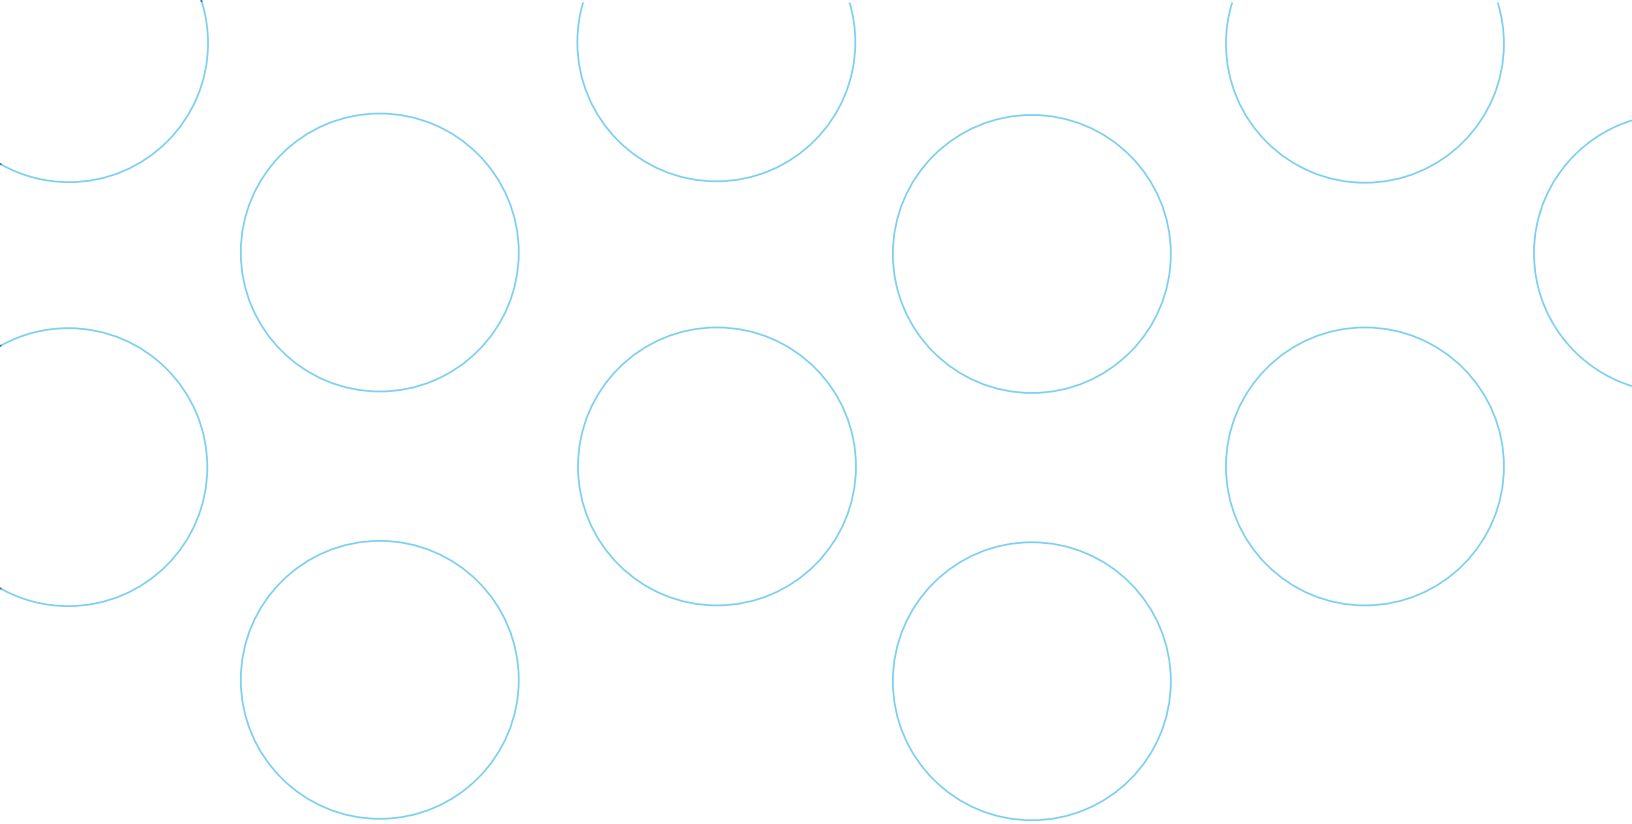

Free your internal resources to focus on new opportunities and talent recruitment as we take on your accounts receivable and collections management.

Custom Reports & Analytics

Easy-to-use reporting tools provide your business with comprehensive, real-time insight into all services and status.
